The Grand Chancellor was made to dress up as one of his ancestors as presented by the Lodge in his initiation as an Honorary Member of the Lodge.

The picture at right just captures how a fraternal organization devoted to charitable and benevolent doings never forgets to enjoy social and friendly experiences.

The Fraternal Order of Knights of Pythias is a great International Fraternity which was founded in Washington, D.C. on February 19, 1864 by Justus Henry Rathbone. Local lodges are governed by State Grand Lodges which, in turn, are governed by The Supreme Lodge, Knights of Pythias.

The primary object of the Order is to promote friendship among men and to provide for the general welfare of its membership. The outstanding principles of the Knights of Pythias are Friendship, Charity, and Benevolence.

The Pythian Order does not seek to shape any person's belief, but is the practical application of spiritual and charitable principles of everyday life.

We have a heritage of which we are proud and our precepts and teachings lead human beings to higher ideals of life. We invite like minded-men, over the age of 18, of all races and creeds, who are of good character, to join us in making these ideals a reality in modern living.
