Members of the Fraternal Order Knights of Pythias are eligible for membership in the Dramatic Order Knights of Khorassan (DOKK). DOKK members are known as “DOKEYS”. Through membership in the DOKK Pythians enjoy the realm of fun and frolic. Pythians find DOKK meetings, ceremonial, customs and plans refreshingly different from “usual Lodge patterns.”

Local DOKK organizations, known as Temples, exist in communities throughout the United States and Canada. The DOKK is governed by a national organization known as the Imperial Palace comprised of representatives from Temples across the United States and Canada who meet in convention every two years.

DOKEY activities include Interest-Free Educational Loans and fundraising to support charitable purposes. Contact Sir Roger Siegel, Royal Vizier of Habibi Temple72, for membership in DOKK.
