

2nd Annual Marvin Master Memorial Blood Drive

March 5, 2017

Pythian Sister Susan Master invited the Knights of Pythias, and particularly her father's lodge, Genesis Lodge, to the blood drive she arranged in memory of her father, Marvin Master, to try to increase membership from some of the people she knows who supported the blood drive.

Many lodge brothers and Pythian Sisters kept her company throughout the day, schmoozed with the donors, some donated blood themselves, and had a great day.

Over 25 units of blood were collected for Maimonides Medical center, and several of Susan's friends either joined or renewed their membership in Genesis Lodge.

"It is very gratifying to know that I was able to arrange this all, in memory of my father, and I appreciate the turnout from the Knights of Pythias, which meant so much to him, stated Susan Master.

Her dad was a proud Pythian for about 20 years before his death in 2009. His home lodge was Genesis Lodge, and he had been a dual member of several other lodges.

Sitting l to r: Myra Schwartz, David Stanger, Jeff Freese, Helene Master; standing: Joel West, Roy and Susan Triguero, Richard Resnick, Phil Feigel, David Abels, Susan Master.
